

This booklet contains RCI Points® values, broken down by week number and unit size. It is color coded by region-corresponding with the resort listings in the 2013/2014 **RCI Directory of Affiliated Resorts**. Don't forget-all up-to-date points values are always available when searching for your vacation on **RCI.COM**. Other unit configurations may exist. Where nightly stays are available, Friday and Saturday nightly stays are 20% of the weekly value per day, and stays for the other nights are 12% of the weekly value per day.
